

Goldcrest Cottage

Berwick, Surrounds & Holy Island

A jewel in North Northumberland's Crown! Goldcrest Cottage is situated in the small village of Fenwick, a peaceful haven yet has easy access to all amenities and the coast. Originally part of the Duke of Northumberland's Estate, the cottage has been extended and refurbished to a very high standard with good quality furniture, providing a quality holiday retreat.

A five minute drive takes you to the Holy Island causeway which you can drive across, subject to safe crossing times, to sample the unique quality of the Island and visit Lindisfarne Castle, the Winery, Lindisfarne Priory and Gertrude Jekyll Garden. Drive fifteen minutes to the north to visit historic Berwick-upon-Tweed with its famous bridges, castle walls and ramparts. Alternatively, fifteen minutes to the south is Bamburgh Castle and its truly spectacular beach, where you could sample one of the coastal walks, try out their outstanding links golf course or relax in the village pubs and cafes. There are numerous visitor attractions within a 30 minute drive of Goldcrest Cottage and a trip to Northumberland would not be complete without visiting the market town of Alnwick with the historic Alnwick Castle and the beautiful Alnwick Garden. At the end of each day sightseeing, return to Goldcrest Cottage to relax in the garden and, weather permitting, enjoy a BBQ, away from noise, traffic and the hectic pace of modern life.
